BPW Joondalup invites you to "Think BIG" about...

Women's Issues and Challenges in Modern China

Presented by a delegate from Jinan City

The 4th September 2004 saw the formalising of a Sister City relationship between the City of Joondalup and the City of Jinan. Jinan lies 500km south of Beijing and is famous for its natural springs, as well as its prolific willow trees and lotus flowers.

A delegation from Jinan will be participating in the forthcoming Joondalup Business Women's Forum. BPW has invited guests from the delegation, representing the municipal departments of culture, foreign affairs and finance to attend our November dinner meeting. Our guest speaker will talk to us about the challenges faced by women in business in today's China.
